"THE VIEW FROM 524"

Please remember to stay cool and be safe in the summer heat. The heat index is sweltering and has been in the triple digits for most of July. Please stay inside unless necessary and stay safe.

TEAM CHANGES

We would like to welcome Antoinette Purnell (Toni) to the Team. Toni will be working with myself and the Compliance Office on some of your annual recertification paperwork, and Administrative tasks for the office. Her office will be between the Compliance Office and Resident Services. Please help make her feel welcome to the Community!

FRONT DOOR & KEY FOB USE.

For the safety and security of all residents, please remember that entry into the building is your responsibility using your assigned key fob. The front desk staff is not responsible for letting residents in and should not be relied upon for building access. Your key fob is an important part of our security system. It ensures that only authorized individuals can enter the building, which helps protect both residents and staff. If you have lost your fob or are unable to locate it, please visit the Manager's Office to request a replacement. A replacement fob is available for a \$20 fee.

FRONT ENTRANCE GARDEN AREA

Due to the excessive heat, we will continue to lift the no drinking ban for the garden area. This will be for **non-acholic beverages only**. This does not apply to the library. No one is allowed to Eat or Drink in the Library for any reason.

RESIDENT PACKAGES

Please remember that packages need to be picked up at the front desk . Packages are tracked/documented into the package room before you are notified of the delivery. You can not use a notification of delivery on your phone as proof of delivery. Please make sure you bring the sticky note from your mailbox to the front desk when you pick up your package.

Packages NOT picked up after 3 days WILL BE RETURNED TO SENDER. We do not have storage room for excessive package holding. Thank you for your patience in our processing of your packages.

GOING AWAY FOR A FEW DAYS??

If you are going away overnight or for a few days? Please remember to let the Front Desk know. We continue to do daily wellness checks and will enter your apartment to check on you, unless you tell the Front Desk you are going away.

We are getting deeper into summer weather. Remember that your thermostat should remain on Auto.

To help keep our building clean and sanitary, please remember that all trash placed in the chute must be securely bagged. Do NOT dispose of loose dust, food waste, or liquids directly into the chute. Our hallway carpets were professionally cleaned in July, and we'd like to keep them looking their best for as long as possible. If you notice any spills or stains in the hallways, please notify the front desk right away so we can
